PAVING OUR WAY

Tomahawk Power, a company synonymous with innovation and excellence in the construction and outdoor power equipment industry,

began its journey with a vision deeply rooted in empowering contractors and professionals worldwide. Founded as a family-owned business, the company's story is a testament to the enduring values of quality, reliability, and customer-centricity.

From its humble beginnings, Tomahawk Power set out to revolutionize the industry by providing contractors with high-performance tools and equipment that not only streamlined their work but also exceeded their expectations. The company's unwavering commitment to innovation led to the development of cutting-edge products, ranging from pest sprayers to concrete finishing screeds, that redefined industry standards. Through continuous research and development, Tomahawk Power ensured that its offerings remained at the forefront of technological advancements, enabling contractors to tackle their projects with precision and efficiency.

What truly sets Tomahawk Power apart is its dedication to understanding the unique challenges

faced by contractors on job sites. By staying contractor-focused and actively seeking feedback from professionals in the field, the company has been able to fine-tune its products and services to address the real-world needs of its customers. Tomahawk Power is dedicated to helping contractors, tradespeople, and DIY enthusiasts succeed

TOMAHAWK POWER IS
DEDICATED TO HELPING
CONTRACTORS, TRADESPEOPLE,
AND DIY ENTHUSIASTS SUCCEED
BY MAKING THEIR WORK EASIER.

by making their work easier. To keep your job site running smoothly, the proper equipment and parts are needed in a moment's notice

— which is why Tomahawk prioritizes same-day shipping, faster spare parts availability, nationwide repair centers, and an industry-leading commercial-grade warranty! Today, Tomahawk Power stands as a beacon of innovation and reliability, continuing to empower contractors worldwide and shaping the future of the industry.

MISSION

Create the best tool for the job while delivering unrivaled customer support.

VISION

Empower contractors worldwide by providing cutting-edge tools and equipment that enhance efficiency, productivity, and success in their projects.

FAMILY-OWNED

Everyday direct involvement ensures a commitment to long-term quality, customer-centric values, and a personalized approach that fosters trust and reliability in an ever-changing industry.

CONTRACTOR FOCUSED

Keeping the end-user as a top priority allows us to tailor our products and services to meet the specific needs and challenges faced by contractors, ultimately leading to more effective solutions and satisfied customers.

YOUR SUCCESS IS OUR PRIORITY

Tomahawk is committed to providing exceptional customer service and driving continuous innovation

in the realm of well-built tools and equipment. Central to this pledge is the recognition that customers are at the heart of the company's success. Tomahawk understands that in today's fast-paced industries, contractors, professionals, and individuals rely on dependable tools and equipment to get the job done efficiently and effectively. As such, Tomahawk's unwavering dedication to maintaining outstanding customer service ensures that customers receive not only top-tier products but also the support and guidance needed to make the most of their investments.

In tandem with its dedication to customer service, Tomahawk places a strong emphasis on leading innovation in the design and functionality of its tools and equipment. The company understands that staying ahead of the curve is paramount in an ever-evolving industry, and it actively seeks ways to push boundaries and set new standards. Through rigorous research and development, Tomahawk consistently introduces groundbreaking products that not only meet industry demands but often exceed them. This commitment to innovation not only benefits customers by enhancing their productivity but also reflects Tomahawk's commitment to shaping the future of the construction and outdoor power equipment sectors. As the company looks ahead, its promise to maintain great customer service and lead innovation will continue to drive its mission to provide well-built, cutting-edge tools and equipment.

WHY CHOOSE TOMAHAWK

At Tomahawk Power, we're all about taking care of our hardworking customers. We want to make sure you're happy with your experience every step of the way. Because your success is our success, and that's what keeps us going strong. We're here to build trust, keep you coming back, and be your go-to choice for construction and outdoor equipment.

PLATE COMPACTORS

✂ Explore our diverse range of plate compactors to meet your specific needs. Whether you prefer the power of gas, the versatility of reversible models, or the convenience of electric-driven options, we have the perfect plate compactor to tackle your compaction tasks with ease and efficiency.

ALL MUSCLE. PURE PERFORMANCE.

5.5 HP HONDA ROLLER COMPACTOR

Model **TPRC76H**

Engine	Honda GX160
Plate Size	17" x 12" (43cm x 32cm)
Compaction Force	2,270 lbs/ft2
Power Source	Gas
Power	5.5 HP
No. of Rubber Rolls	4
Water Tank	N/A
Weight	198 lbs (88kg)

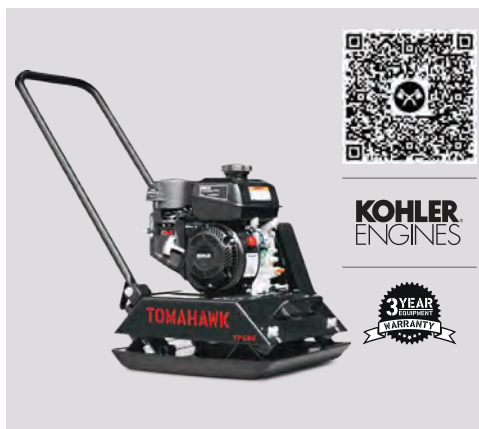

TOMAHAWK

2 HP ELECTRIC PLATE COMPACTOR

Model **eJXPC50**

Motor	Tomahawk
Plate Size	19" x 15" (48cm x 38cm)
Compaction Force	1,420lbs / ft ²
Power Source	Electric
Power	2 HP
Compaction of Soils	Up to 8" (20cm)
Water Tank	N/A
Weight	110 lbs (50kg)

KOHLER
ENGINES

6 HP KOHLER PLATE COMPACTOR

Model **TPC80**

Engine	Kohler CH260
Plate Size	17" x 21" (43cm x 53cm)
Compaction Force	3,000 lbs/ft ²
Power Source	Gas
Power	6 HP
Compaction of Soils	up to 22" (56cm)
Water Tank	N/A
Weight	182 lbs (83kg)

HONDA
ENGINES

5.5 HP HONDA PLATE COMPACTOR

Model **TPC80H**

Engine	Honda GX160
Plate Size	17" x 21" (43cm x 53cm)
Compaction Force	3,000 lbs/ft ²
Power Source	Gas
Power	5.5 HP
Compaction of Soils	22" (56cm)
Water Tank	N/A
Weight	182 lbs (83kg)

HONDA
ENGINES

5.5 HP HONDA PLATE COMPACTOR

Model **TPC85H**

Engine	Honda GX160
Plate Size	23" x 17" (58cm x 43cm)
Compaction Force	3,000 lbs/ft ²
Power Source	Gas
Power	5.5 HP
Compaction of Soils	17" (43cm)
Water Tank	2.5 Gallons (9.4L)
Weight	170 lbs (77kg)

HONDA
ENGINES

5.5 HP HONDA PLATE COMPACTOR

Model **TPC90H**

Engine	Honda GX160
Plate Size	22" x 20" (56cm x 51cm)
Compaction Force	3,400 lbs/ft ²
Power Source	Gas
Power	5.5 HP
Compaction of Soils	22" (56cm)
Water Tank	3.5 Gallons (13.2L)
Weight	240 lbs (109kg)

WHEEL KITS

Tomahawk Compactor Wheel Kits are great for job sites large and small. This is the best tool for headache free compactor transport!

PAVER PADS

Great for safe compaction of bricks, pavers, and decorative stone to avoid scraping, marring, or breaking.

REVERSE COMPACTORS

COMPACT, FLATTEN, CONQUER

With impressive
hydraulic controls

achieve 100% compaction ratings in both forward and reverse! Tomahawk Reverse Compactors are ideal for various applications, including construction, landscaping, roadwork, trenching, and pipeline projects.

5.5 HP HONDA REVERSE PLATE COMPACTOR

Model **TPC100H**

Engine	Honda GX160
Plate Size	19" x 14" (48cm x 36cm)
Compaction Force	3,500 lbs / ft ²
Power Source	Gas
Power	5.5 HP
Compaction of Soils	18"
Weight	210 lbs (95kg)

6.5 HP HONDA REVERSE PLATE COMPACTOR

Model **TPC170H**

Engine	Honda GX200
Plate Size	28" x 24" (71cm x 61cm)
Compaction Force	7,000 lbs / ft ²
Power Source	Gas
Power	6.5 HP
Compaction of Soils	20"
Weight	385 lbs (175kg)

9 HP HONDA REVERSE PLATE COMPACTOR

Model **TPC400H**

Engine	Honda GX270
Plate Size	32" x 22" (800x550mm)
Compaction Force	11,690 lbs / ft ²
Power Source	Gas
Power	9 HP
Compaction of Soils	22"
Weight	783 lbs (355kg)

WHEEL KITS

Tomahawk Compactor Wheel Kits are great for job sites large and small. This is the best tool for headache free compactor transport!

RAMMERS

POUND FOR POUND THE HARDEST HITTING RAMMERS

Explore our versatile selection of tamping rammers, available with Honda gas-powered engines or cutting edge battery-driven systems. Built for precision and durability, Tomahawk Rammers are essential for compacting soil, asphalt, and more in your construction and landscaping projects.

3.6 HP HONDA TAMPING RAMMER

Model **TR68H**

Engine	Honda GXR120
Shoe Size	13" x 11" (33cm x 28cm)
Compaction Force	3,550 lbs / ft ²
Power Source	Gas
Power	3.6 HP
Compaction of Soils	Up to 26"
Jumping Stroke	1.6" - 3.4" (4cm x 9cm)
Weight	150 lbs (68kg)

3 HP HONDA TAMPING RAMMER

Model **JX60H**

Engine	Honda GX100
Shoe Size	13" x 11" (33cm x 28cm)
Compaction Force	3,350 lbs / ft ²
Power Source	Gas
Power	3 HP
Compaction of Soils	Up to 26"
Jumping Stroke	1.6" - 3.4" (4cm - 9cm)
Weight	132 lbs (60kg)

2.4 HP HONDA TAMPING RAMMER

Model **eJX60H**

Engine	Honda GXE 2.0S
Shoe Size	13" x 11" (33cm x 28cm)
Compaction Force	3,350 lbs / ft ²
Power Source	Battery
Power	2.4 HP
Compaction of Soils	Up to 24"
Jumping Stroke	1.9" - 2.8" (5cm - 7cm)
Weight	140 lbs (64kg)

HONDA GXE 2.0S BATTERY SYSTEM

The GXE2.0S is an advanced electrified power unit that combines the efficiency and performance of gas engines with the convenience of battery power, offering low noise, minimal vibration, and indoor usability.

RAMMER WHEEL KIT

Perfectly balanced, simply line up the wheels to the rammer shoe, hook the wheels into the lifting handle, and roll away!

4" RAMMER SHOE

Great for trench compaction for conduit and more, this steel rammer shoe is preferred for its ability to work in confined spaces.

CONCRETE VIBRATORS

**LIGHTER LOAD.
BIG PERFORMANCE.**

- ✂ Designed for maximum efficiency and ease of use, Tomahawk Backpack Vibrators ensure thorough consolidation, minimizing air pockets and achieving smooth, professional-grade results on your construction projects.

2 HP HONDA BACKPACK CONCRETE VIBRATOR

Model TVIBH

Engine	Honda GX50
Power	2 HP
VPM	10,000 - 12,000
Vibrator Type	Eccentric
Whip Lengths	10 ft - 16 ft (3m - 5m)
Poker Head Size	1" - 1.25" (3cm - 3cm)
Weight	15 lbs (7kg)

VIBRATOR WHIPS

Built tough for penetrating tough concrete without kinking with a flexible, non-slip design for ease of use and effective handling. **Available in lengths of 10ft and 16ft. 1" and 2" heads.**

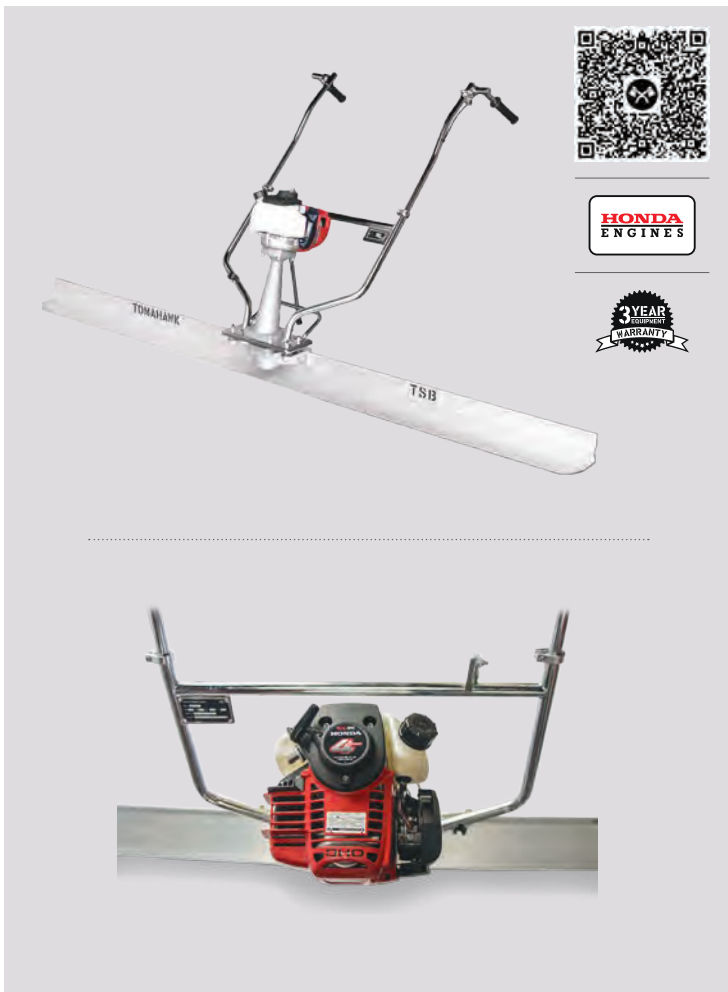

POWER SCREEDS

Powered by Honda

FAST TRACK YOUR CONCRETE JOB

1.6 HP HONDA CONCRETE POWER SCREED

Model **TVSA-H**

Engine	Honda GX35
Power	35 cc
Power Source	Gas
VPM	7000
Handles	360° Adjustable
Blade Sizes Available	4 ft - 16 ft (1m - 5m)
Fits Blade Type	Magnesium
Weight	40 lbs (18kg)

✂ Tomahawk Concrete Screeds, powered by Honda, offer the perfect blend of precision and power for achieving smooth and level concrete surfaces. With the reliability of Honda engines, these screeds ensure efficient and accurate concrete finishing, making them a top choice for professionals in the field.

FLOAT PANS & TROWEL BLADES

Proudly made in the USA, Tomahawk trowel blades and float pans are built for superior concrete finishing, delivering high durability, precision, and polished, professional results.

PORTABLE POWER TROWELS

A NEW SPIN

Leave laborious hand-finishing behind.

Weighing under 60 lbs and easily assembled, these trowels speed up finishing by up to 45 minutes, offering precise movement and blade pitch control for all stages of the job.

TOMAHAWK

30" PORTABLE TROWEL WITH 18FT BULL FLOAT HANDLE

Model **JXPT30T**

Engine	Tomahawk TE37
Power	1.16 HP
Size	30" (76cm)
Rotor Speed	40 - 70 Max RPM
Blades	4 Combo Blades
Blade Pitch	0 - 28°
Pitch Type	Standard
Includes Pan	No

CONCRETE SPRAYERS

Lose the manual pump and gain the power to cover 15000 sq feet in 10 minutes or less while applying your ideal concrete sealant, cure, top cast, form release, and more! Maintain steady, adjustable pressure from 50-435 PSI for up to 30% solids content.

NEVER PUMP. **NEVER LOSE PRESSURE.**

TOMAHAWK

6.5 GAL BACKPACK CONCRETE SPRAYER

Model **TCS6.5**

Tank Capacity	6.5 Gallons (25 Liters)
Power Type	Gas
PSI	50 - 435 PSI
Engine Type	2 Stroke
Power	1.8 HP
Horizontal Reach	Up to 30 ft (9.1m)
Vertical Reach	Up to 25 ft (7.6m)

24" BRASS WAND

24" brass wand offers precision and durability in applying concrete coatings. Universal wand attachment compatibility.

WATER CONTROL ADAPTER

Simply hook up the Tomahawk sprayer to your concrete cut off saw using this exclusive adapter and make cuts anywhere from masonry, concrete, asphalt, rebar, and more!

GREEN CONCRETE SAWS

6" EARLY ENTRY GREEN CONCRETE SAW

Model **TFS6H**

Engine	Honda GX120
Blade Size	6" (15.2cm)
Power	3.5 HP
Cutting Depth	1 3/16" (2.06cm)
Blade Flange	Triangular
Depth Adjustment	Manual
Weight	87 lbs (39.4kg)

CUT CONCRETE FASTER

Dominate your concrete projects with Tomahawk Green Concrete Saws. Cut contraction joints within just one hour of finishing, controlling stress cracking to ensure pristine concrete results. Compatible with major blade manufacturers.

10" EARLY ENTRY GREEN CONCRETE SAW

Model **TFS10H**

Engine	Honda GX270
Blade Size	9 - 10" (23cm - 25cm)
Power	8.4 HP
Drive System	Hydraulic
Cutting Depth	1.5" (3.8cm)
Blade Flange	Triangular
Depth Adjustment	Electric
Weight	320 lbs (145kg)

DIAMOND BLADES

Diamond blades provide efficient and precise cutting for controlled early-entry concrete joints.

RED SERIES

Versatile for cutting through medium to hard aggregate, it ensure precise cuts, providing a polished finish.

PURPLE SERIES

Designed specifically for ultra-hard aggregate, the blade boasts extreme hardness to tackle the toughest cutting conditions.

SURFACE PREPARATION

RISE & GRIND

Tomahawk Scarifiers and Grinders

are perfect for applications including sidewalk trip hazard removal, traffic line removal, surface leveling, floor grinding, surface texturing/grooving, and more.

8" TUNGSTEN CARBIDE DRUMS

Model **TSCAR6TCC**

Great for leveling uneven surfaces and concrete trip hazards. Grinds 1/8" (0.3175m) per pass for effective surface preparation.

4" (10cm) options is available for purchase.

8" STEEL WIRE BRUSH DRUMS

Model **TSCAR8WB**

Effective in removing thicker coatings and adhesives. Creates a textured surface for improved bonding.

8" STEEL STAR DRUMS

Model **TSCAR18SC**

Perfect for removing paint, coatings, and rust. Provides a smooth finish on concrete surfaces.

8" ELECTRIC CONCRETE SCARIFIER

Model **eTSCAR8**

Motor	Electric
Size	8" (20cm)
Power	2.3 HP
Cutting Depth	1/8" (.31cm)
Production Rate	350-500 ft²/hr
Weight	135 lbs (61kg)
Cord Length	18ft (5.5m)

8" HONDA CONCRETE SCARIFIER

Model **TSCAR-8H**

Engine	Honda GX160
Size	8" (20cm)
Power Type	Gas
Power	5.5 HP
Cutting Depth	1/8" (.31cm)
Production Rate	350-500 ft²/hr
Weight	135 lbs (61kg)

10" ELECTRIC FLOOR GRINDER

Model **TGDR10**

Engine	Electric 1.5HP
Amperage	11A
Motor Speed	1725 RPM
Hertz	60hz
Cutting Width	Blade Options 4" - 12" (10cm - 30cm)
Cutting Angle	3 Adjustable Positions
Weight	150 lbs (68kg)
Machine Dimensions	38" x 24" x 42" (100cm x 61cm x 107cm)

8" CRACK CHASER CONCRETE SAW

Model **TKRS8H**

Engine	GX390
Engine Power	13HP
Blade Capacity	Up to 8" (20cm) crack chaser blade
Blade Width	.250" - .500" (0.635cm - 1.27cm)
Max Cutting Depth	1" (2.54cm)
Weight	140 lbs (63.50)
Wheels	4" diameter
Straight Cut Wheels	Optional

DEMOLITION

FAST TRACK YOUR FIXER UPPER

Boost your efficiency,
20x faster than handheld options,
helping you finish jobs in no time at
all. Whether you're removing vinyl,
linoleum, VCT, carpet, or hardwood
flooring, their efficient design allows
you to work smarter and save time
and energy.

SCRAPER BLADES

7x3 general-purpose floor
scraper blade ideal for removing
old flooring, especially on hard
surfaces like concrete.

8" ELECTRIC FLOOR SCRAPER TILE STRIPPER

Model **TSCP8**

Power Type	Electric
Cutting Width	4" - 12" (10cm - 30cm)
Size	38" x 24" x 42"
Power	3/4 HP
Motor Speed	1725 RPM
Voltage	115V
Cutting Angles	Electric
Weight	150 lbs (68kg)

DEMO HAMMER TROLLEY

Model **TDHT55**

Power Type	Electric
Frame	Reinforced steel
Size	52" x 30" x 16"
Wheel	Heavy-duty rubber
Weight	58 lbs (26.3 kg)
Compatible With	Bosch 11335K, Makita 1307, 1317, 1520, 1512, Bauer 1632E-B

Built for ease of use, remove tiles and thinset up to six times faster with unmatched speed, safety, and efficiency.

STEP INTO PERFECTION

Battery Life	5 Hours
Solution Tank	1 Gallon (3.79 liters)

JANITORIAL

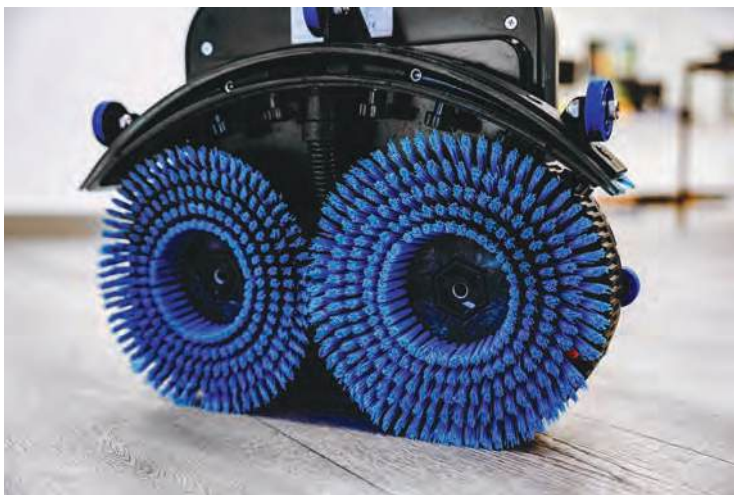

STANDARD BRUSHES

These side brushes are perfect for loosening and sweeping debris, leaves, and more.

HARD BRISTLE BRUSHES

3x Harder than standard bristles – these stiff brushes are ideal for loosening and sweeping up wet waste, as well as dry cleaning.

FLOOR SCRUBBERS

ELECTRIC FLOOR SCRUBBER WITH 18" POWER MOP

Model **TMOP18e**

Power Type	Battery
Working Width	18" (46cm)
Brush Speed	450 RPM
Power	36V - 120W
Brush Pressure	13.2 lb (6kg)
Solution Tank	1.05 Gal (4 liters)
Recovery Tank	1.71 Gal (6 liters)
Weight	35.4 lbs (16kg)

MAXIMIZE SPACE.
MINIMIZE EFFORT.

In the world of cleaning, time is essential. Tomahawk Floor Scrubbers elevate your service with efficient cleaning. Glide around obstacles with ease to achieve like-new floors, and take control of your operations with user-friendly controls. Choose Tomahawk for enhanced efficiency and customer satisfaction.

BACKPACK VACUUMS

ELECTRIC BACKPACK VACUUM

Model **TVAC6PLUS**

Voltage	120V
Power	1060W
Air Flow	99 CFM (43 L/S)
Filtration	HEPA H13
Vacuum	16.5 KPA
Dust Capacity	6.4 Qt (6L)
Noise Level	71 dBA
Cord Length	59 ft (18 M)
Weight	12.5 lbs (5.5kg)

BATTERY- POWERED BACKPACK VACUUM

Model **TVAC6MAX**

Voltage	36 V
Power	300 W
Air Flow	62 CFM (29 L/S)
Filtration	HEPA H13
Vacuum	16.5 KPA
Dust Capacity	6.4 Qt (6L)
Noise Level	67 dBA
Run Time	38 mins
Weight	12.5 lbs (5.5kg)

✂

Discover the ultimate in cleaning convenience with our lightweight yet powerful backpack vacuums. Designed for maximum comfort and efficiency, they feature an ergonomic build with cushioned shoulder straps and an adjustable waist belt to fit all body types seamlessly.

OUTDOOR POWER

✂ Discover a comprehensive selection of robust and reliable tools including powerful generators and welders to keep your world running smoothly. With our range of outdoor power solutions, you can take control of your environment, ensuring both productivity and peace of mind.

INVERTER GENERATORS

Your projects demand power that never wavers. With Tomahawk Inverter Generators, you'll never have to worry about power interruptions again. Their robust output delivers consistent and reliable electricity to keep your tools running at full force.

POWER YOUR WORLD

2000 WATT INVERTER GENERATOR

Model **TG2000i**

Max/Rated Watts	2000/1800 W
Power	2.5 HP
Amperage	20A
Run Time @ Half Load	8 Hours
120V Outlets	2
240V Outlets	0
Electric Start	N/A
Fuel Tank Capacity	1.1 Gallon (4 liters)
Noise Level	48 dBA
Weight	52 lbs (24kg)

3000 WATT INVERTER GENERATOR

Model **TG3000i**

Max/Rated Watts	3300/3000 W
Power	5 HP
Amperage	20A
Run Time @ Half Load	8 Hours
120V Outlets	3
240V Outlets	0
Electric Start	N/A
Fuel Tank Capacity	1.1 Gallon (4 liters)
Noise Level	58 dBA
Weight	53 lbs (26kg)

4000 WATT INVERTER GENERATOR

Model **TG4000H**

Max/Rated Watts	4000/3500 W
Power	196 cc
Amperage	20A/30A
Run Time @ 1/2 Load	8 Hours
120V Outlets	2
120V Twist-Lock	1
Electric Start	No
Fuel Tank Capacity	3.9 gal(3.1 liters)
Noise Level	94 dBA
Weight	119lbs (53.9kg)

4500 WATT INVERTER GENERATOR

Model **TG4500iEFI**

Max/Rated Watts	4500/3800 W
Power	159 cc
Amperage	20A/30A
Run Time @ 1/4 Load	9 Hours
120V Outlets	2
120V Twist-Lock	1
Electric Start	Yes
Fuel Tank Capacity	1.6 gal (6 liters)
Noise Level	62 dBA
Weight	58.4lbs (26.4kg)

5500 WATT INVERTER GENERATOR

Model **TG5500i**

Max/Rated Watts	5500/5000 W
Power	312 cc
Amperage	20A/30A
Run Time @ Half Load	8 Hours
120V Outlets	3
240V Outlets	1
Electric Start	Yes
Fuel Tank Capacity	3.6 Gallon (14 liters)
Noise Level	62 dBA
Weight	122 lbs (55kg)

7000 WATT INVERTER GENERATOR

Model **TG7000H**

Max/Rated Watts	7000/6500 W
Power	390 cc
Amperage	20A/30A
Run Time @ Half Load	8 Hours
120V Outlets	2
240V Outlets	1
Electric Start	No
Fuel Tank Capacity	6.6 Gallon (25 liters)
Noise Level	97 dBA
Weight	209 lbs (94kg)

10500 WATT INVERTER GENERATOR

Model **TG9000i**

Max/Rated Watts	10500/8500 W
Power	458 cc
Amperage	20A/30A/50A
Run Time @ Half Load	8 Hours
120V Outlets	2
240V Outlets	0
Electric Start	Yes
Fuel Tank Capacity	6.9 Gallon (26 liters)
Noise Level	62 dBA
Weight	233 lbs (106kg)

17000 WATT INVERTER GENERATOR

Model **TG17000i**

Max/Rated Watts	17000/14500 W
Power	760 cc
Amperage	20A/30A/50A
Run Time @ 25%	14 Hours
120V Outlets	5
240V Outlets	2
Electric Start	Yes
Fuel Tank Capacity	10.5 Gallon (40 liters)
Noise Level	63 dBA
Weight	308.61 lbs (140kg)

WELDER GENERATORS

POWER & WELDING ANYWHERE. ALL AT ONCE.

120 AMP 2200 WATT WELDER GENERATOR

Model **TWG120A**

Welding Amperage	120 Amps
Welding Process	6010 rods up to 6013 rods
Rated Wattage	2000
Run Time @ Half Load	8 Hrs
Outlets Included	2
Fuel Tank Capacity	1.6 Gallons (6 liters)
Noise Level	66 db
Electric Start	N/A
Weight	99 lbs (45kg)

WELDER GENERATORS

145 AMP 4500 WATT WELDER GENERATOR

Model **TWG145A**

Welding Amperage	145 Amps
Welding Process	6010 rods up to 6013 rods
Rated Wattage	4500
Run Time @ Full load	4.3 Hrs
Outlets Included	3
Fuel Tank Capacity	13 Gallons (12 liters)
Noise Level	68 db
Electric Start	Yes
Weight	110 lbs (50kg)

TOMAHAWK

210 AMP 2000 WATT WELDER GENERATOR

Model **TWG210A**

Welding Amperage	210 Amps
Welding Process	6010 rods up to 7024 rods
Rated Wattage	1800
Run Time @ Half Load	8 Hrs
Outlets Included	2
Fuel Tank Capacity	7 Gallons (26.5 liters)
Noise Level	68 db
Electric Start	Yes
Weight	202 lbs (92kg)

Tomahawk Welder Generators are your all-in-one solution for on-the-go welding and power generation. Built to withstand tough conditions and deliver reliable performance, these machines are a must-have for professionals who need to stay productive. Wherever. Whenever.

TRASH WATER PUMPS

Tomahawk Trash Water Pumps, powered by Honda, are the go-to choice for reliable water removal in demanding conditions. With the unbeatable combination of Tomahawk's durable design and Honda's renowned engine performance, these pumps ensure efficient and effective dewatering, even in the toughest situations.

BUILT
TOUGH

2" HONDA SEMI TRASH WATER PUMP

Model **TW2H**

Engine	Honda GX160
Size	21"L x 15"W x 18"H
Flow	164 GPM
Power	3.5 HP
Elevation	85 ft (26m)
Suction	26 ft (8m)
RPM	3,600 RPM
Weight	46 lbs (21kg)

3" HONDA FULL TRASH WATER PUMP

Model **TW3H**

Engine	Honda GX270
Size	24"L x 19"W x 20"H
Flow	375 GPM
Power	8 HP
Elevation	89 ft (27m)
Suction	25 ft (7.6m)
RPM	3,600 RPM
Weight	93 lbs (42kg)

4" HONDA FULL TRASH WATER PUMP

Model **TW4H**

Engine	Honda GX390
Size	29"L x 21"W x 22"H
Flow	423 GPM
Power	13 HP
Elevation	82 ft (24m)
Suction	26ft (8 m)
RPM	3,600 RPM
Weight	148 lbs (67kg)

POWER BEYOND
IMAGINATION

A photograph showing a small, reddish-brown, fuzzy object, possibly a seed or fruit, resting on a blue, textured surface. In the foreground, there are green grass blades. The image is oriented vertically.

 Explore the latest innovations in landscaping and pest control equipment. Level up your arsenal with robust power buggies for efficient material handling, precision mist blowers and sprayers designed for optimal pesticide application, and reliable fertilizer spreaders for precise soil management. Stay ahead of the curve, optimize your operations, and elevate your results with high-quality landscaping and pest control equipment.

- # COLLEGE

POWER BUGGIES

30" BATTERY CONCRETE POWER BUGGY

Model **TBUGGY300e**

Power Type	1000W Battery
Working Width	30" (76cm)
Capacity	8cu. ft (.22cu. meters)
Max Speed	3.1 MPH (5 KPH)
Battery	48V - 20Ah
Voltage	120V / 60 Hz
Battery Life	6 - 8 Hours RPM
Tilt Range	92°
Headlights	150 Lumens
Weight	342 lbs (155kg)

**WORK SMARTER,
NOT HARDER**

Tomahawk Power Buggies are the ultimate solution for heavy material transport. With a rugged build and impressive payload capacity, these buggies ensure efficient and reliable movement of materials, saving both time and labor.

CONCRETE BUCKET

Designed to ensure a smooth and controlled pour, minimizing waste. Handle larger concrete loads with ease.

SKID/FLAT BED

Converts to a multi-use flatbed carrier in minutes. Ideal for moving large, bulky items.

SNOW PLOW

Versatile tool designed for efficient snow removal and clearing in various settings.

TURF TIRES

Provide superior traction on hills with close-shaped tread for minimal grass compaction.

BUCKET EXTENSION

Save time and energy with this extension that allows for larger amounts of material to be transported in a single trip.

BACKPACK FOGGERS

4 GAL BATTERY MOSQUITO FOGGER

Model **eTMD14**

Tank Capacity	4 Gallon (15 liters)
Power Type	Battery
Power	.7kW / 19Ah
Horizontal Reach	40 ft (12m)
Vertical Reach	25+ ft (8m)
Air Speed	150 MPH (241 KPH)
Air Volume	310 CFM
Droplet Size	100 - 300 Microns
Turbo Boosted	Add-On Available
Battery	36V / 7.5 Ah
Battery Life	2 Hours

SPRAY TODAY, ENJOY TOMORROW

Tomahawk Motorized Sprayers are your best solution for pest elimination, delivering coverage 10x faster than manual sprayers. These sprayers provide consistent coverage with an ergonomic design, featuring adjustable straps and superior padding - ensuring effective and comfortable use around your property.

3.7 GAL TURBO BACKPACK FOGGER

Model **TMD14**

Tank Capacity	3.7 Gallon (14 liters)
Power Type	Gas
Power	3 HP
Horizontal Reach	40 ft (12m)
Vertical Reach	25+ ft (8m)
Air Speed	220 MPH (354 KPH)
Air Volume	490 CFM
Droplet Size	50 - 100 Microns
Turbo Boosted	Included

eTMD14 BATTERY

Lithium Ion Battery lasts up to 2 hours on a single charge. Spray up to 200 Gallons on a single charge. 36V Lithium-Ion 7.5Ah.

ULV NOZZLE

Ideal for more potent ULV sprays to treat large areas. Adjustable from 25-100 Microns.

BACKPACK SPRAYERS

Tomahawk Motorized Sprayers are your best solution for pest elimination, delivering coverage 10x faster than manual sprayers. These sprayers provide consistent coverage with an ergonomic design, featuring adjustable straps and superior padding - ensuring effective and comfortable use around your property.

STOP PESTS FASTER

5 GAL MOTORIZED BACKPACK SPRAYER

Model TPS25

Tank Capacity	5 Gallons (19 liters)
Power Type	Gas
PSI	50 - 450 PSI
Engine Type	2 Strokes
Power	1.8 HP
Horizontal Reach	30 ft (9m)
Vertical Reach	25 ft (8m)

eTPS18 BATTERY

Lithium Ion Battery lasts up to 11 hours on a single charge. Spray up to 200 Gallons on a single charge. 12V Lithium-Ion 7Ah.

5 GAL BATTERY BACKPACK SPRAYER

Model eTPS25

Tank Capacity	5 Gallons (19 liters)
Power Type	Electric
PSI	50 - 400 PSI
Charge Time	2 hours
Power	36V / 7.5 Ah
Horizontal Reach	30 ft (9m)
Vertical Reach	25 ft (8m)

4.75 GAL BATTERY BACKPACK SPRAYER

Model eTPS18

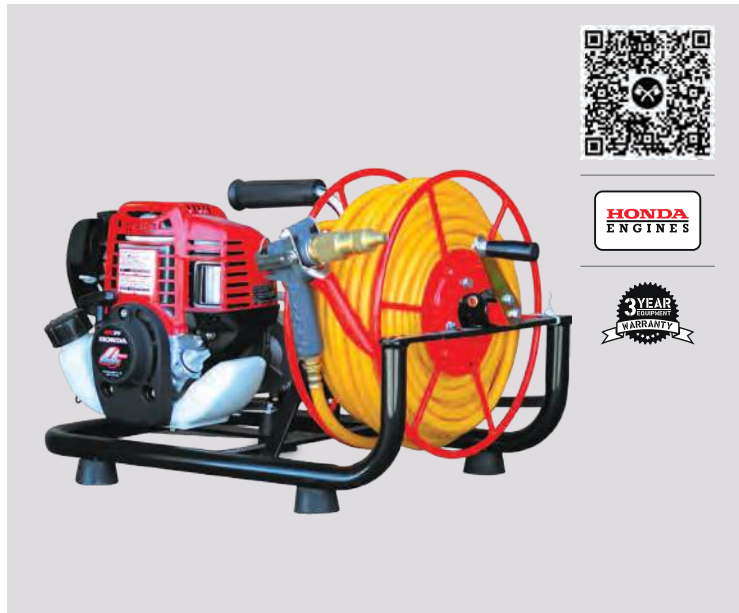

Tank Capacity	4.75 Gallons (18 liters)
Power Type	Battery
PSI	20 - 70 PSI
Power	12V / 7Ah
Run Time at 45 PSI	>11 Hours (400cc/min)
Horizontal Reach	30 ft (9m)
Vertical Reach	25 ft (8m)

PUSH CART

With 12" tires, effortlessly navigate areas large and small. Plus, its robust construction ensures years of dependable use.

SKID SPRAYERS

1.6 HP HONDA SKID SPRAYER WITH 100FT HOSE

Model **TBS500**

Engine	Honda GX35
Power Type	Gas
PSI	50 - 500 PSI
Power	1.6 HP
Flow	2.8 GPM
Spray Hose	100 ft (30m)
Weight	48 lbs (22kg)

SPRAY
ANYWHERE,
ANYTIME

Tomahawk Skid Sprayers, powered by Honda, deliver unmatched reliability and power for your spraying needs. With trusted power and performance, these sprayers provide consistent and efficient coverage, making them a top choice for professionals in various industries.

SPRAYER ACCESSORIES

PRECISION AT YOUR FINGERTIPS

✂ Tomahawk Sprayer Nozzles are precision-engineered for efficient and consistent spray patterns. Achieve optimal coverage and performance in your spraying applications with these high-quality nozzles designed for reliability and precision.

FOUNDATION GUN

Easily adjust from a pressurized jet to a fine mist for your optimal performance. Reach up to 30ft.

CONICAL GUN

Adjustable from a pressurized jet to a conical pattern, spray up to 25ft to achieve greater coverage reaching around trees and tall buildings.

TWIN TIP NOZZLE

Increase your spray coverage with every pass to increase your productivity. Achieve a smaller droplet size best for use with insecticides, fertilizers, and fungicides.

IRRIGATION ROD

Use for ground probing, pressure root feeding, and other placement applications.

FERTILIZER SPREADERS

4 GAL MOTORIZED FERTILIZER SPREADER

Model **TGS30**

Tank Capacity	4 Gallons (15 liters)
Power Type	Gas
Power	3 HP
Horizontal Reach	30 ft (9m)
Vertical Reach	25 ft (8m)
Air Speed	220 MPH (354 KPH)
Air Volume	490 CFM

GREENER TOMORROW **STARTS TODAY**

Tomahawk Fertilizer Spreaders redefine precision and efficiency in landscaping. With their innovative design and robust performance, these spreaders are trusted by professionals to ensure precise fertilizer distribution and promote healthy, vibrant landscapes.

LIQUID 4 GALLON TANK

This tank is a great addition to your Tomahawk Backpack Spreader. For applying liquid pesticides and more.

7 GALLON TANK

Ample 7 gallon design for use with fertilizer, seed, feed, ice melt, pond muck remover, and more!

5 GAL BATTERY-POWERED FERTILIZER SPREADER

Model **eTGS30**

Tank Capacity	5 Gallons (18.9 liters)
Power Output	0.7 kW
Battery Capacity	7.5 Ah
Battery Life	2 hrs at 50% load, 1 hr at 100% load
Charge Time	2 hours
Spray Reach	25 - 30 feet (7.6 - 9.1m)
Voltage	36V
